

the poor in spirit	the peacemakers
those who mourn	the pure in heart
the meek	the merciful
those who hunger and thirst for righteousness	those who are persecuted for righteousness' sake

Cut out bee shapes on dotted lines. Let your student write one beatitude on each bee (or cut/paste the ones provided). An older student could also write a verse reference on each wing (the corresponds to the beatitude on that bee).

Stack bees together and attach with a brass fastener (where indicated on the front cover).

One extra bee template is provided in case your student wants to make his own cover piece.
