

**Directions:**

Cut out as one piece. Put on the table (If I Ran the Zoo... should be face down). Fold each triangle up, so that you have four triangles that can open. Turn book back over and fold on center fold (above text). When you are finished, you should have a rectangle (with the words on the front). When you open the book, you should have four separate sections to write in. Let your student write the name of an animal she has chosen on each quadrant. Fill the inside of each diamond with information about diet, habitat, special needs, etc. for each animal.
