

Edmund  
was hoping  
for more  
Turkish Delight  
when he saw  
the Queen.  
What did he  
get instead?

All three books are simple fold-in-half books.

Edmund's eyes  
are opened,  
and he begins  
to see the  
White Witch  
for who she  
really is. What  
does Psalm 5:9  
say about the  
wicked?

*It becomes clear that the witch's powers are  
crumbling. The Bible says that Someone came  
to our world to destroy the works of evil.  
Read I John 3:8 to find out who.*
