

Cut out Sedar plate as one piece. Glue circle books on white circles. Glue Star book on top of star (this is optional if you need the pages for more writing you can use it as a book, if not don't use the book)

Cut out circle books by cutting on solid line, fold on dotted line and cut out each circle book making sure not to cut the fold. There are six circle books. Cut out Star of David use this as your cover and pattern. Cut out several stars on lined paper, stack them behind the star and staple at top point on the white line Where the arrow is pointing.

If more paper is needed for the circle books do the same as the star. Open up the circle book, stack lined paper behind the circle book cover fold on dotted line and cut our the circle book without cutting on the fold. Staple on dotted line.
