This is the middle Matzah. Let's look closely at it. Do you see the stripes and piercings? Do you see the dark spots that look like bruising? Matzah is made without leaven. Leaven in the Bible often symbolizes sin. Let's look at Yeshua (Jesus). He was without sin. The Bible says he was broken. He was striped and pierced. He was bruised. This middle Matzah reminds us of Yeshua-- who He is and what He did for us.

Cut out all three matzah.

Keeping the C matzah as one piece.

Mountain fold at arrows, so each Matzah graphic is on the outside of Book.

Now bring both mountain fold together to meet at the gray line. Finger press. This piece will represent the middle matzah that gets broken in half during the service.
