What is a
decibel?

A black and white line drawing of a trumpet, shown from a side profile. It has a flared bell, a valve section, and a mouthpiece. There are some motion lines behind the bell, suggesting it is playing or vibrating.A black silhouette of a propeller airplane in flight, moving from left to right. It has a tail fin, a fuselage with windows, and a propeller. There are motion lines behind the plane to indicate speed.

What is a
knot?
