

My Apple Copywork

By: _____

Way up high in the apple tree,
Two little apples smiled at me.
I shook that tree as hard as I could.
Down came the apples,
Were they good!

Cut out each strip (one on this page and one the next) as one piece. Let your student complete the copywork. (For a young student, you may want to choose one line or a few key words). Attach extra pages by gluing the tab as indicated. Fold like an accordion. Tie a ribbon around the book, if desired (with the bow in the front); this will help keep it closed. Glue the back of the last page in to your lapbook.

Glue this tab to the back of the last page in your book.
