p

Owls

Eagles

Hawks

Ospreys

Falcons

Vultures

These birds of prey have...
round, flat faces
big round eyes
heads that can turn almost all
the way around

These birds of prey hunt at
night.

These birds of prey have...
wide, rounded wings for
soaring/floating on the air
short, fan-shaped tails

They do not have tufts of
feathers on their heads but do
often look like they are
wearing feathered pants.
