

Activity 4:

Requirement 1: Citizenship in the Community

Have youth label each triangle with the communities he belongs to.

Put circle with cutout on top of circle with triangles. Insert brass brad into center of both circles. Attach to folder.

Activity 14: Have youth select several community services funded by local taxes and defend why the community feels these are necessary and valuable to the community. Record information on paper, fold, store in pocket.

If working with a group, have a mock election for Mayor/Selectperson and ask youth to defend their service needs for funding to the Mayor/Selectperson.
