Cut out on solid lines. Mountain fold on the solid/dotted line, and then unfold. Mountain fold on center dotted line and cut the solid line in center. Push the pages together, spreading the gap you just cut, so it looks like a plus sign. Continue to squeeze together and fold the pages until you have a book with the cover on top and blank page on the back. You can use the book to draw your own flowers or to paste in the flower graphics provided.

Cut out all feet on dotted lines.

Stack with cover on top and staple where marked.
