

Cut book out as one piece. Fold in half. Open. Fold bottom strip up (fold on the dotted lines) to form a pocket on the inside of the book. Use small dots of glue on the outer edges. Use the pockets to store copywork (of songs, psalms, and hymns) that relates to the character quality you are studying. For younger students, you may simply want to include the songs you are learning that relate the character quality.

# Sing to the Lord
