Instructions: Print one copy of this file (preferably on cardstock). Cut the cards out. Place the cards on a table face down (don't peek as you place them on the table). You may want to place them in rows.

Player #1 gets to turn over 2 cards. If the cards make a compound word (from the story—the colors should match), then he gets to pick them up and keep them. If no match is made, the cards get returned to their spots (facing down). Player #2 takes a turn following the same instructions as Player #1.

Players keep taking turns until all the matches have been made. The player with the most matches wins the game.
