

On the strip, cut on the solid lines and accordion fold on the dotted lines. Cut the oval fold, out as one piece. Cut out the funny glasses and glue accordion fold to back of picture and then the front of oval cover. Inside write different things detectives use for disguises.

Detectives sometimes wear disguises so that they can't be identified. They can sometimes get more information and find more clues if they look like someone else. Can you think of some ways a detective might disguise himself? Some examples of disguises include make-up, costumes, fake mustaches, wigs, funny glasses, hats, masks, etc.
