

Let us hear the suspicions.

I will look after the proofs.

Handwriting practice lines consisting of a solid top line, a dotted middle line, and a solid bottom line, repeated five times.

It's a wicked world, and when

a clever man turns his brain

to crime it is the worst of all.

Handwriting practice lines consisting of a solid top line, a dotted middle line, and a solid bottom line, repeated five times.

Cut simple folds on solid lines. Valley fold on dotted lines.  
Cut out and glue title to cover.

I am glad of all details,  
whether they seem to you  
to be relevant or not.

It was easier to know it than to  
explain why I know it. If you were  
asked to prove that two and two made  
four, you might find some difficulty,  
and yet you are quite sure of the fact.
