

Bible Story Booklet.

Cut out the square, and write the bible story you have chosen, or just a memory verse from the story, and colour a picture about the story. Fold according to the instructions.

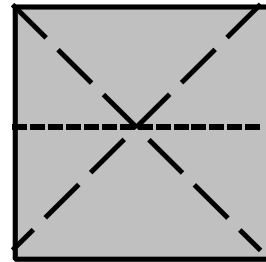

The form consists of a large outer square frame. Inside this frame, there is a smaller square frame positioned in the upper-left quadrant. Below the smaller square frame, there are eight horizontal lines spaced evenly down the page, providing a designated area for writing a Bible story or a memory verse. The entire form is designed to be cut out and folded into a booklet.
