

1. Phytoplankton

2. Zooplankton

Instructions:

Cut out the circles in one piece along the outside lines. Paste the pictures in the order as above. Fold down circle no 3 and 5, to the middle, and fold up circles 4 and 6 to the middle. Fold circle 1 to the left, and paste the "chain" circle on it. Fold circle no 8 to the right, and paste the "The Food" circle on it. Paste it into your lap book.
