

## The History of Fishing

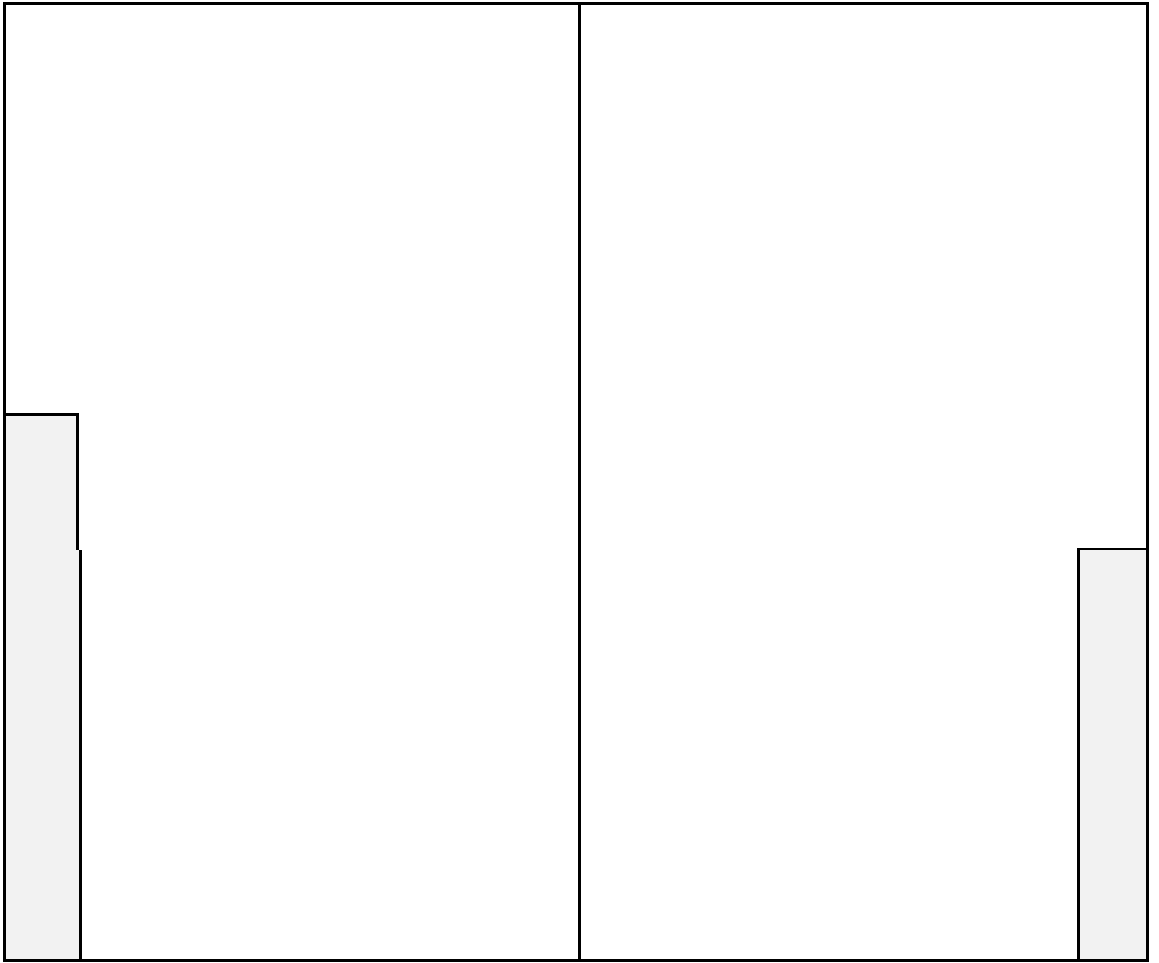

Cut out the pages cutting away the shaded area. Place the pages on top of each other, and fold along the centre line.

On the tabs write the period, For eg Early man, Early Egypt, Greek Empire, Roman Empire, Modern Man. Write in the information as from the lesson.

Using string and needle, attach the booklet to the lapbook along the spine, and make a bow, or staple together in the centre and paste into the lapbook.
