I'm a  
Fairy Tale  
Detective

List special beginning or  
ending words:

Is there a good character?  
Who?

Is there a bad character?  
Who?

Is there royalty?

Is there a castle?

Is there magic?

Was there a problem?

Was there a solution?

Did anything happen in  
threes or sevens?

To the best of my  
knowledge,  
*The Fool of the World  
and the Flying Ship*  
Does or Doesn't  
qualify as a  
Fairy Tale.
