

This side gets glued into lapbook

Cut out book on solid lines and fold on dotted lines.

Two side flaps will fold in towards center, and then cover flap fold down.

Cut out all the mice and glue on front and back of side flaps.

Glue pocket in center. Cut out all hearts and store in pocket.

Have child match up heart words to Miss Mousie's contractions.

You could print two sets of hearts, and glue one set under each mouse-tail for younger children to match words.

Miss Mousie loves contractions almost as much as she loves Frog!
