

BEETLES

Cut out book as one piece. Let your student complete the copywork. (For a young student, you may want to choose one line or a few key words). Color the ladybug on the front. Fold like an accordion. Tie a ribbon around the book, if desired (with the bow in the front); this will help keep it closed. Glue the back of the last page in to your lapbook.

Beetles must use polish,
They look so new and shiny,
Just like a freshly painted car,
Except for being tiny.

Handwriting practice lines consisting of solid top and bottom lines with a dotted midline, repeated five times.
