## Ice Cream in a Bag

### Ingredients

1 gallon plastic zipper bag (heavy duty)  
1 quart size plastic zipper bag (heavy duty)  
4 cups ice  
3/4 cup rock salt  
1/2 cup whole milk  
1/2 cup heavy whipping cream  
1 teaspoon vanilla extract  
2 tablespoons sugar

### Directions

1. Pour the milk, vanilla extract, and sugar to one of the quart size plastic zipper bag. Carefully squeeze out the air then seal bag tightly.
2. Place quart bag into the gallon zipper bag. Place ice and rock salt into bag. Seal bag tightly.
3. Shake and toss bag for 10 minutes. Wrap bag with towel or newspaper to prevent icy hands! Don't peek!
4. Open gallon bag, remove quart bag. Wipe zipper area (top) of quart bag to prevent salty water from sneaking into the ice cream mixture!
5. Spoon ice cream into cups and enjoy!
