

Canopy

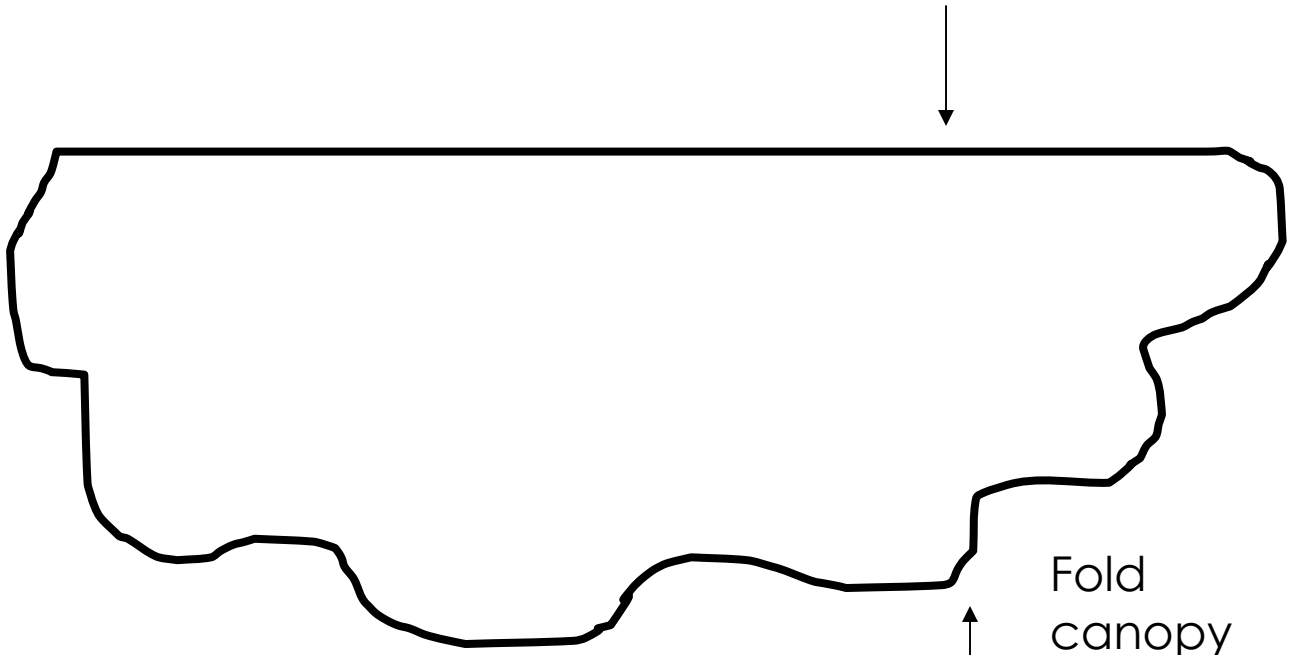

Lianas

Epiphytes

Buttress Roots

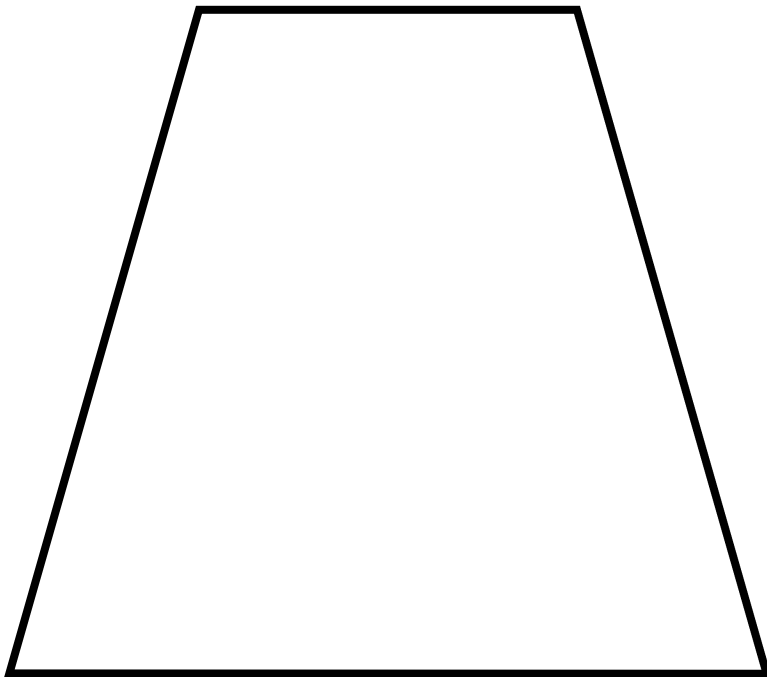

Tape twine,  
raffia, or yarn  
onto this flap  
and let it  
hang down  
to resemble  
lianas.

Add draw-  
ings and  
text to  
explain the  
plants in  
the  
rainforest.

Affix canopy to top horizontal flap. It will overlap the next flap.

Fold canopy approx. here to open the flap.

Tape bottom of buttress to bottom of trunk for a vertical flap.
