

**Alto**

**My  
Map  
of  
Alto**

**Small  
Town  
Life**

Cut out the word Alto. Cut out the book as one piece. Fold "shutters" (the rectangles with words) so that they are on the front and can be opened. After you discuss the lesson on page 19 of your FIAR Volume I manual, use the area under "Small Town Life" to record your ideas. Let your student draw a map of Alto (as directed in your manual) on the rectangle below. Fold in half. Paste it under the "Map of Alto" Flap.
