Glue this section into lapbook.

Maria Mitchell Quotes

We especially need
imagination in
science. Question
everything.

Do not look at
stars as bright
spots only. Try
to take in the
vastness of the
universe.

Every formula,
which expresses a
law of nature, is a
hymn of praise to
God.

The greatest object
in educating is to
give a right habit
of study.

I am just
learning to notice
the different colors
of the stars, and
already begin to
have a new
enjoyment.

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline, repeated 10 times.
