

Why is it effective?

What point of view is used in *Masai and I*?

**1st person-**

A point of view in which an "I" or "we" serves as the narrator of a piece of fiction.

OR

**3rd person-**

A method of storytelling in which a narrator tells the story using third person pronouns such as "he" or "she."

Cut book out as one piece. Fold top flap down. Fold right side over so that "Point of View" is on the cover of your book. Cut out piece on dotted lines. Glue on the inside cover of the book. Lift the flap and answer questions.
