

# Melody & Harmony

Describe melody & harmony: \_\_\_\_\_

---

---

---

---

An interval is the distance between two notes. The notes can be close together or far apart on the staff. They can be melodic or harmonic. Melodic intervals are played one after the other to make a melody. Harmony intervals are played at the same time to make harmony.

What is a chord? \_\_\_\_\_

---

---

Would a chord be melodic or harmonic? \_\_\_\_\_

Draw a chord the grand staff.

Remember to stack the notes

(kind of like you would a snowman).

Name 3 instruments that can only play melodic intervals: \_\_\_\_\_

---

---

Name 3 instruments that can play more than one note at the same time: \_\_\_\_\_

---

---
