

Cut the white  
area out.

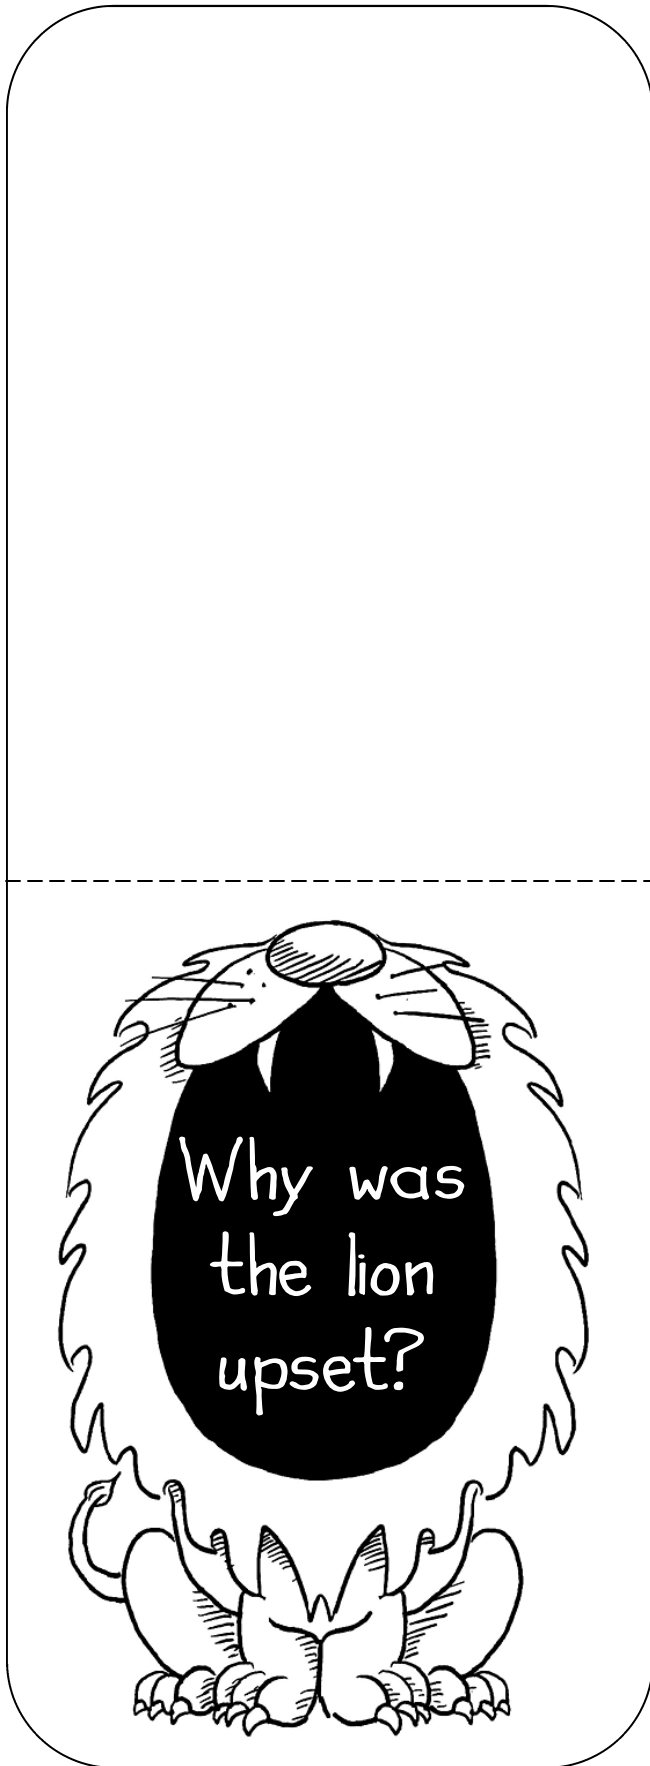

Print on cardstock. Cut out the bottle (on the dotted lines) and the transparency pattern. Cut out the white area on the bottle, as indicated. Cut a piece of transparency (or saran wrap) to match the size of the rectangle. Glue to the back of the bottle.

Write or type/paste your letter to the piece on the next page. Glue it to the back of the bottle behind the transparency.

Transparency  
pattern

Cut out as one piece and fold in half. If desired, glue seven short ribbons to the inside of the book. Glue them so that they peek out at the bottom.

Type up your letter and paste it to this piece. Add glue to the outer edges and paste to the back of the bottle.
