

Cut book out as one piece (do not cut shapes apart). Fold in thirds with the panda on the cover. On the inside of the book write *K* on the left side, *W* on the middle, and *L* on the left.

Before you start the unit, record what your student **KNOWS** on the **K** page.  
Ask your student what he **WANTS TO LEARN** and record that on the **W** page.  
At the end of the unit, record what your student has **LEARNED** on the **L** page.
