

	Turtle
	Blue jay
	Snake
	Deer
	Chipmunk
	Rabbit
	Frog
	Grasshopper

Cut out book as one page. Fold in half. Cut dotted lines to form eight flaps. Ask your student what animals he would like to play with. Let him write his answer (yes or no) behind each flap or write it for him.

Cut out the cover on the next page. Fold in half. Glue back of flap book into the cover. This will keep the flaps a little bit safer.
