

Cut book out as one piece. Fold in half. Open. Fold bottom strip up (fold on the dotted lines) to form a pocket on the inside of the book. Use small dots of glue on the edges (if you use too much, the pockets will be too small).

Cut out items on this page. Use the pocket to store them. Use the apple and basket for practice with prepositions. Tell your student to put the apple under the basket...on the basket...below the basket...out of the basket, etc. Can he use some of the words from the list and tell you what to do with the apple? (Note: not all of the words will work as some prepositions relate to time.)
