Arctic Fox Diet

White Fox
Winter Coat 1896

The image shows a series of six identical, vertically oriented, octagonal templates. Each template has a small circle on its left side, representing a brass fastener. The bottom-most template is pre-filled with a detailed black and white illustration of an Arctic fox standing in a snowy, hilly landscape. Below the fox, there is a small signature and the text 'White Fox Winter Coat 1896'. To the right of the illustration, the words 'Arctic Fox' and 'Diet' are printed in a large, serif font.
