

Cut out the three triangles. Fold each one in half.

Glue the back of the left half of the first triangle to the front of the left half of the second triangle.

Take the third triangle. Glue the back of the left half of the third triangle to the back of the right half of the first triangle. Fold so that you can open the book once to the right and once to the left. So, the "middle section" is actually the front of your book.

Discuss one reason why penguins are black & white on each side of the book.
