

H o w m a n y
e g g s ?

Cut book out as one piece. Fold accordion style (back and forth, back and forth).

Younger student:
Write 1 dozen on the first page, 2 dozen on the second page, 3 dozen on the third page, etc.

Older student:
Use the book for counting by twelve. Write 12 on the first page, 24 on the second page, 36 on the third, etc.

Glue the back of the final page into your lapbook.
