

 Distance from the sun	Mercury	Venus	Earth	Mars	Jupiter
	Saturn	Uranus	Neptune	Pluto	

Cut each strip out as one piece.  
Paste end sheet that says Jupiter to the top of the blank sheet to make one long strip  
Fold one page back and one page forward, one page back etc..  
Continue in this fashion to create an accordion-style book.  
Paste last blank sheet to lapbook.
