

Made for Homeschool Share by Jenni (age 10)

Glue here

Why don't bats  
live alone?

Glue here

Why do bats fly  
at night?

Glue here

Why did the  
horseshoe bat  
brush his teeth?

Print out riddles. Fold paper down the center on line, with bat halves on front. Cut out around bats (not down center). When you open up each one, you should have a full bat. Write answer to riddle inside. Glue back of bat half into lapbook/notebook.

Riddle 1 - They prefer to hang out with their friends!

Riddle 2 - Because they can't drive!!

Riddle 3 - Because he had bat breath!
