Assembly Directions:

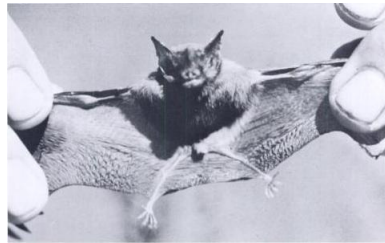

Cut the six strips along the solid outer lines. If there is a rectangle piece in the right corner of the strip, cut it off as indicated (remove this area). Stack your strips in order and staple at the left side of the front page where the marks are indicated.

Discuss each type of bat (information is found in the unit). Let your student record some information on each page of his minit book (if desired).

Your older student may want to learn more about one or more types of bats.

Giant Flying Fox

Bumble Bee Bat also known as Kitti's Hog-nosed bat
