

Let your student choose a freshwater turtle to report on.

Color turtle if desired (or print on colored paper).

Cut out turtle shape (this is your front cover). Cut out shapes on next page. On the "Turtle Report" page, have your student write the name of the species he has chosen to report on. Paste a photo of the turtle on that page.

Fill out information. Cut out turtle shape on last page and fill out (this is your back cover). Stack shapes and covers together and staple.
