I'm a
Fairy Tale
Detective

List special beginning or
ending words:

Is there a good character?
Who?

Is there a bad character?
Who?

Is there royalty?

Is there a castle?

Is there magic?

Was there a problem?

Was there a solution?

Did anything happen in
threes or sevens?

To the best of my
knowledge,
The Valentine Cat
Does or Doesn't
qualify as a
Fairy Tale.
