| <i>Harbor</i> |  |  |
| <i>Shore</i>  |  |                                                                                      |
| <i>Fjord</i>  |  |                                                                                      |
| <i>Mouth</i>  |  |                                                                                      |
| <i>Cliff</i>  |  |                                                                                      |

Cut on solid lines. Mountain fold on dotted lines.  
 Write definition and draw picture of landform under each flap.

Cut out on solid lines. Mountain Fold diagonally on dotted line with text to the outside, and then unfold. Mountain Fold diagonally on other dotted line with text to outside, and then unfold. Valley Fold on center dotted line with text to inside, and then unfold. On side without print, write about the Vikings' knorr ships. Collapse whole unit into a triangle, so graphic is on the cover. Glue into lapbook.
