

# When it is a MARSUPIAL!

You are looking at the inside of the book. Cut book out on solid black lines. Fold bottom up (using dotted line as your guide. Unfold. Add a thin strip of glue to the grey line and refold. This should form three small pockets. Fold top (When it is a...)down. Cut out title and attach to front. Cut out animal cards and let your student store the joeys in the pouches.

When is a baby  
called a JOEY?
