

How does a zebra find water when it is scarce?

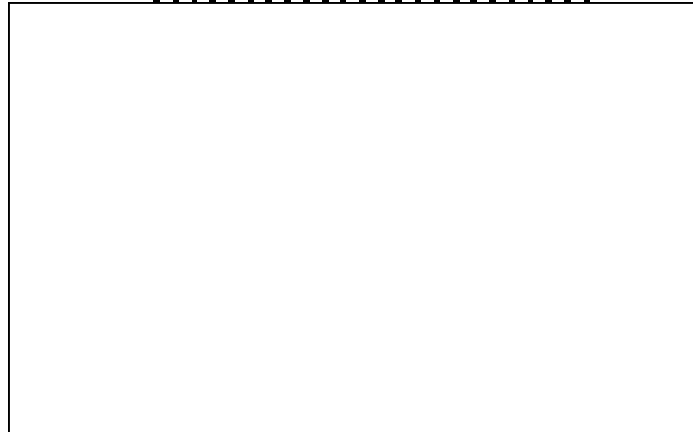

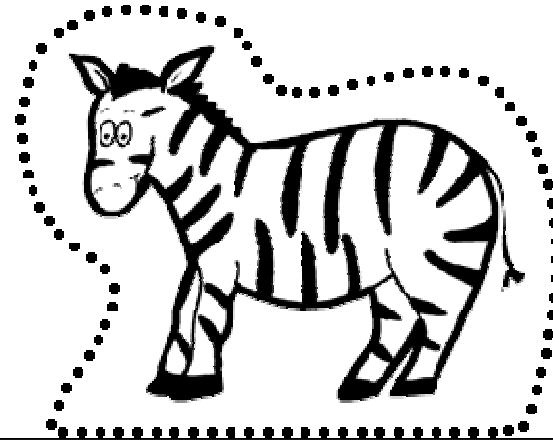

What do oxpeckers do for zebras?

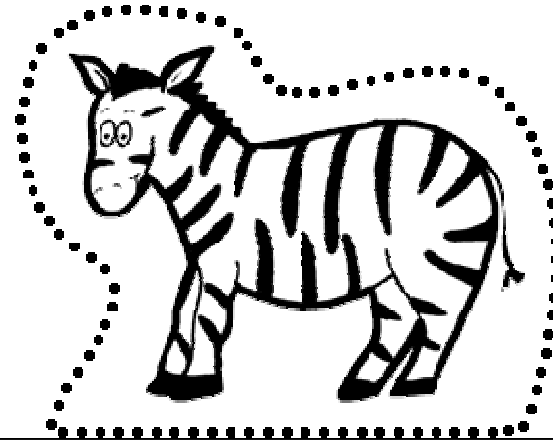

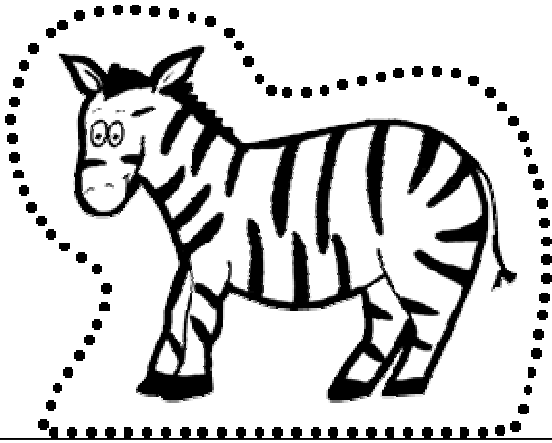

Each book consists of two rectangles and a zebra on top. Cut each book out as ONE piece. Fold on the solid black line. Fold on the dotted line and bring the zebra to the front of the book (covering the words).

Do zebras rest in tall grass?

Why don't zebras use their front feet to fight?

Zebras are
nomadic.
What
does this
mean?

What is a
herbivore?
