Once upon a time, there lived a pirate named _______________

He was _______________

He was _______________

He was _______________

He was _______________
He was _______________  All pirates are _______________

He was _______________  All pirates are _______________
All pirates are

___________________

All pirates are

___________________

All pirates are

___________________

But when

___________________
He

_________________

And so do I.

All pirates
