Instructions:

Cutting –
Cut out pictures as one piece on solid lines. Valley fold on dotted lines and then cut flaps. Using a razor blade, cut out peek-a-boo flaps where marked on ships. Cut out word tags on solid lines.

Gluing –
Glue picture into lapbook, being sure to avoid all flap area. Glue word tags under appropriate peek-a-boo flaps, identifying the parts of the ship.

Writing –
The writing will be like Jeopardy. The answers have been provided for you. On the outside of each flap, write the question. Example: under flap is “Front end of Viking ship”. You will write, “What is the prow?” on outside of flap.
