

FIVE TRUE DOG STORIES

Five True Dog Stories Interactive Notebook

Book by Margaret Davidson

Printables prepared by Ami Brainerd

This is a short chapter book (47 pages) for early readers; it includes true stories about five dogs: Dox, Grip, Wolf, Barry, and Balto.

The mini-books have been designed for an interactive notebook. Each dog has a main page. Print the five main pages (3, 6, 9, 13, and 19) on **cardstock**. Print out the rest of your mini-books, complete them, and glue them to the areas indicated on the main pages.

Notes:

The dog breed mini-books require additional research.

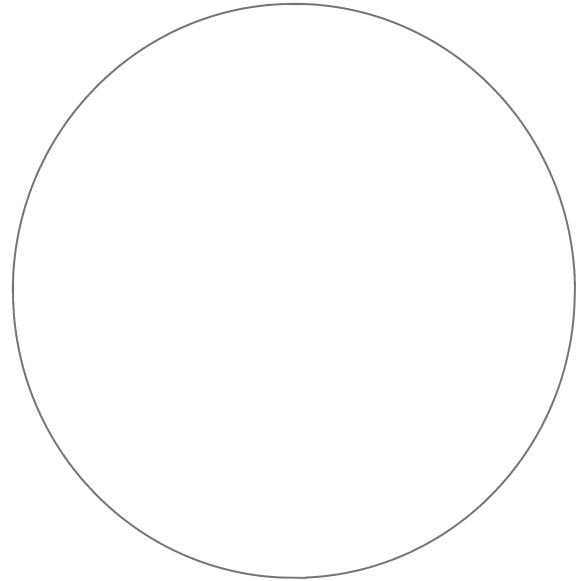

Grip's page includes a hotdog fold book. Use [these instructions](#) to complete it.

Please watch [this video](#) to see how this project comes together.

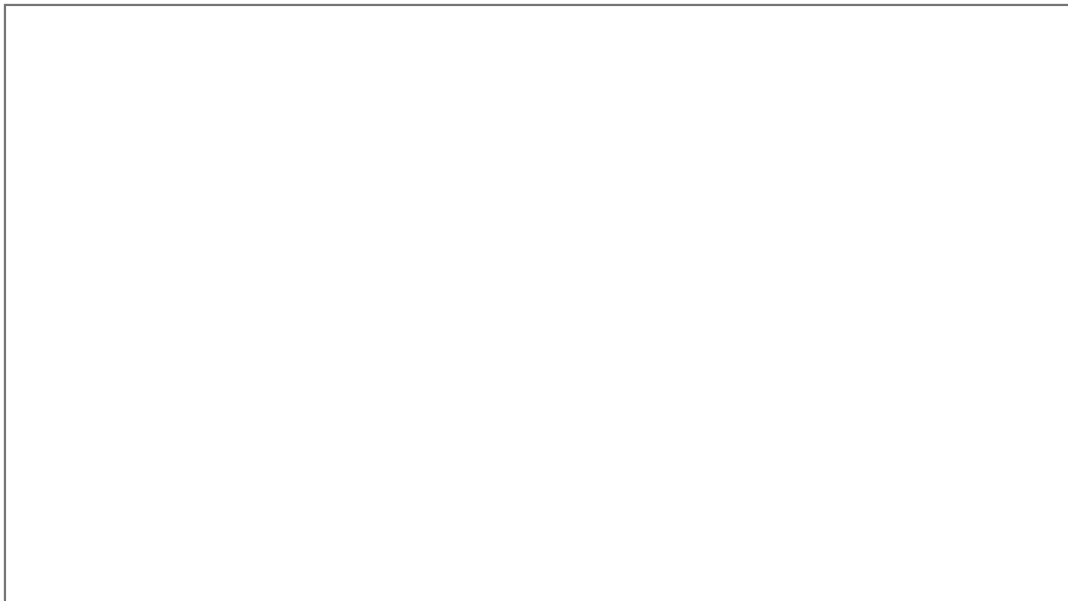

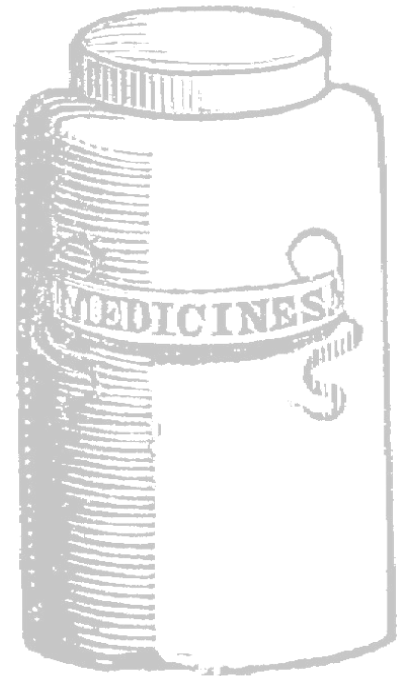

Materials and information on this website may be used for your own personal and school use. **Material may not be shared electronically or be used for resale.**

How Grip Stole Things

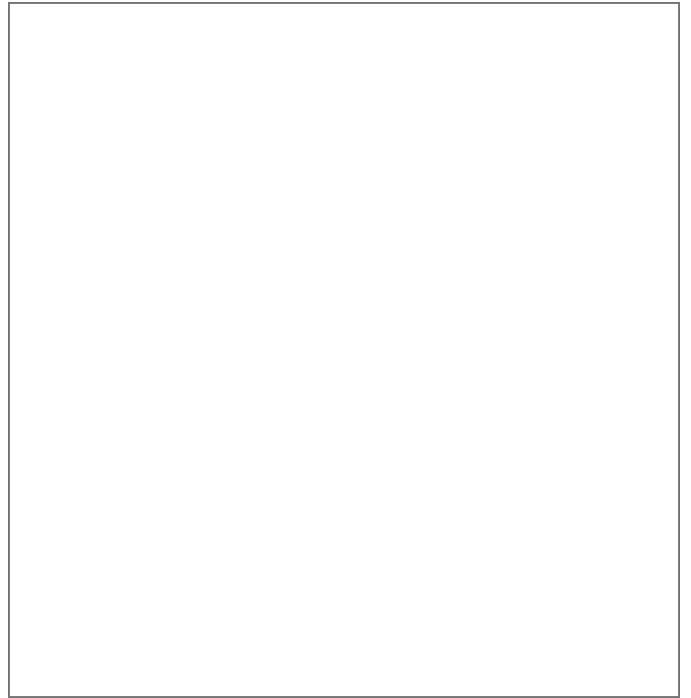

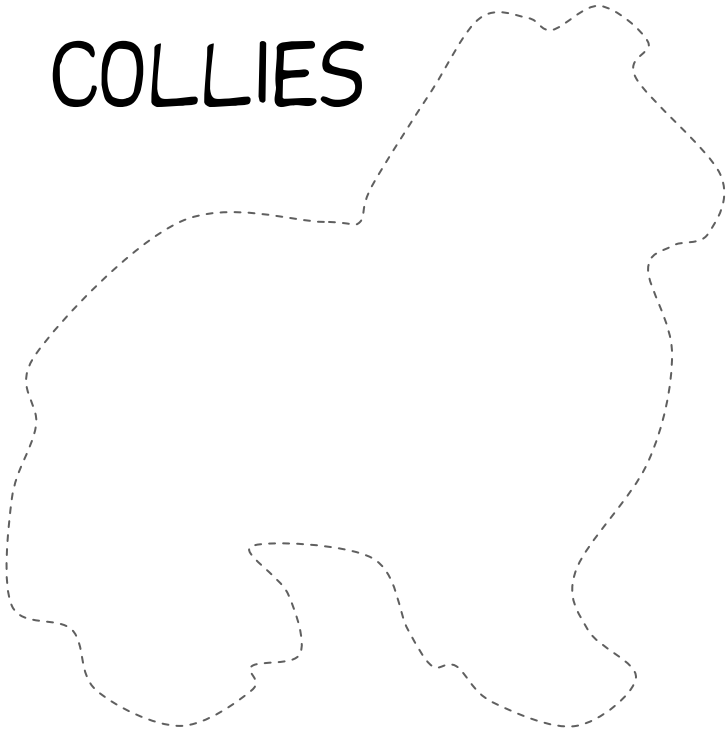

<p>If the man would stop to pet Grip, he would keep dancing and wriggling. He would dance and smell for a leather wallet at the same time.</p>	<p>First, Tom Gerrard and Grip would hide in an alley near a busy London street.</p>	<p>Grip trotted out of the alley and did a happy dance.</p>
<p>When he figured out where the wallet was, he would bite, tug, and tear the pocket and wallet away leaving a hole in the man's clothes! Grip would run away.</p>	<p>They waited and waited until a rich man would walk by.</p>	<p>Tom would point at the man and snap his fingers.</p>
