

# Humpty Dumpty Lapbook

## **Humpty Dumpty Printables**

**Pages 3-5: My Book of E Words** (phonics)

**Page 6: Humpty Dumpty Craft** (fine motor skills)

**Pages 7-9: Who Lays Eggs Mini-book** (science)

**Pages 10-11: Humpty Dumpty Sequencing** (pre-reading)

**Pages 12-15: Humpty Dumpty Copywork** (handwriting)

Your older student can write the poem on the lines provided. There are two different options. Please choose the one that matches your handwriting program.

**Pages 16-19: Egg Facts** (science and pre-handwriting)

Choose the option that matches your handwriting program and let your student trace the words. This is an easy book to “read,” and your student may want to try reading it after you read it a few times to her first.

**Page 20: Humpty Dumpty Picture** (fine motor skills)

Let your student color the picture, cut it out, and glue it in to the book. He can also practice writing his name on the line provided.

**Pages 21-22: Ovals Circle Book** (math: shapes)

Discuss the shape of an egg with your student. What ovals can you find in your home? Go on an oval hunt!

**Pages 23-24: Horses** (science)

Read a nonfiction book about horses to your student and let her recall favorite facts for you to write on the pages of the book.

**Page 25: Ovals!** (math: shapes, fine motor skills, creative thinking)

Ask your student to trace the ovals. Then encourage him to make the ovals into four different egg people!

## A cartoon illustration of a smiling egg character with large eyes, wearing a green long-sleeved shirt and green pants with a yellow stripe. The character is sitting on a brick wall, with its legs crossed at the ankles. The background consists of a blue sky with white clouds.

This image shows a blank sheet of handwriting practice paper. It features four identical sets of horizontal guidelines arranged vertically. Each set includes three lines: a solid top line, a dashed middle line, and a solid bottom line, providing a structured space for practicing letter formation and alignment.

Cut out each strip (one on this page and one the next) as one piece. Let your student complete the copywork. (For a young student, you may want to choose one line or a few key words). Attach extra pages by gluing the tab as indicated. Fold like an accordion. Tie a ribbon around the book, if desired (with the bow in the front); this will help keep it closed. Glue the back of the last page in to your lapbook.

Glue this tab to the back of the last page in your book.

Color the picture. Cut it out and place  
it on the inside of the picture folder.

Cut out wheels. Cut away the extra area on the cover wheel (where indicated). Let your student cut/paste the pictures into the right sequence. Attach wheels together using a brass fastener.

Write or draw information about horses. What are males and females called? What do horses eat? What sound do horses make? Cut out the pages and staple them together as a mini book.

Trace the oval shapes and then make egg people!
