

Compare and Contrast Matchbook

Directions: Cut out book as one piece and fold matchbook style. Write one topic on each side (such as French fries and mashed potatoes). Use the inside of the book to compare and contrast the two topics.

The image shows a large rectangular template for a matchbook. It is divided into three main sections by dashed lines. The top section is a horizontal rectangle. The middle section is a larger horizontal rectangle. The bottom section is divided into two vertical rectangles by a solid vertical line on the left side, representing the binding edge of the matchbook. The top and bottom borders of the entire template are solid lines, while the horizontal lines separating the sections are dashed.
