Large Tri-fold Book

Directions: Cut on solid lines. You will not need to cut the right or left sides of the book. Fold (like a pamphlet) on dotted lines.

This lapbook template may be used for your own homeschool or classroom (including school and public library programs and Sunday School). It can be used in a secured digital classroom. It may not be used commercially. It may not be shared as a pdf file, on the web, in groups, through email, or in any other way. © Homeschool Share
