Additional Information Needed-

Lighting the Menorah

The Menorah has eight candle holders in a row and a separate candle holder for the "Shamash." The Shamash candle is used to light the other eight candles.

On the first night, place one candle in the Menorah's far right (as you face the Menorah) candle holder. Another candle is placed for the Shamash (helper candle). The second night, place two candles in the Menorah's far right (as you face the Menorah) candle holders. Another candle is placed for the Shamash (helper candle). Say the first two blessings above and then light the candles using the Shamash candle. Light the left-most candle first and then light in order, from left to right. Follow this procedure for each night of Hanukkah.

First Night

After nightfall, recite blessings 1, 2, and 3. Kindle one light on your menorah.

Second Night

After nightfall, recite blessings 1 and 2, and kindle two lights on your menorah.

Third Night

After nightfall, recite blessings 1 and 2, and kindle three lights on your menorah.

Fourth Night

After nightfall, recite blessings 1 and 2, and kindle four lights on your menorah.

Fifth Night

After nightfall, recite blessings 1 and 2, and kindle five lights on your menorah.

Sixth Night

Before sunset, recite blessings 1 and 2, and kindle six lights on your menorah.

Seventh Night

After nightfall, recite blessings 1 and 2, and kindle seven lights on your menorah.

Eighth Night

After nightfall, recite blessings 1 and 2, and kindle eight lights on your menorah.

Blessings

1. Blessed are You, Lord our G-d, King of the universe, who has sanctified us with His commandments, and commanded us to kindle the Chanukah light.
2. Blessed are You, Lord our G-d, King of the universe, who performed miracles for our forefathers in those days, at this time.
3. Blessed are You, Lord our G-d, King of the universe, who has granted us life, sustained us, and enabled us to reach this occasion.
