

MONSTER Printables

Monster Mash Printables

Page 3: Scissor Skills (fine motor)

Cut apart the three strips. Can your child cut her way to the monster?

Page 4: Name-a-Monster (creative thinking, fine motor, handwriting practice)

Pages 5-6: ABC Magnet Match (phonics)

Set a page on a cookie sheet. Let your child find the ABC magnet that corresponds with the monster's color (example red = R, green = G, pink = P).

Page 7: Ordinal Numbers (math, following directions)

Laminate monsters, if desired. Cut out each monster. Tell your child to put the monsters in a line. Teach him the ordinal numbers (you put the pink monster first and the blue monster second). Once your child understands first, second, third, fourth, and fifth, give him an order to put the monsters (Put the green monster first. Put the yellow monster second. Put the blue monster third.). You can also line up the monsters and ask your child, "Which monster is third? Which monster is fifth?"

Pages 8-9: My Monster Drawing Game (number recognition, art/creative thinking, fine motor)

You will need one die and two copies of the "My Monster" page to play this game with your child. Take turns rolling the die. As you roll, draw the body parts as indicated on the guide page. The first person to draw a complete monster wins the game!

Page 10: My Monster Story (creative thinking, storytelling, literacy)

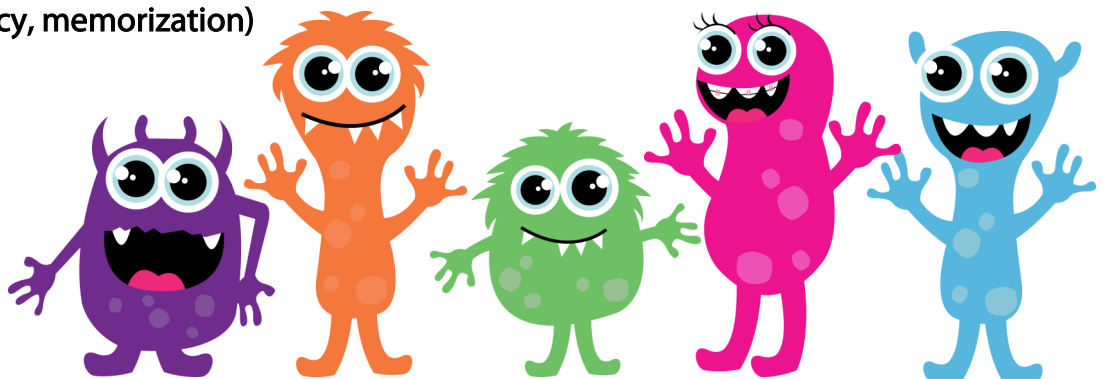

Let your child dictate his monster story to you while you type. This makes story writing easy for young children. They can write a great story without having to worry about handwriting, spelling, punctuation, etc. Kids usually write much better stories when someone scribes for them.

Pages 11-12: Sleepy Monsters (sorting, visual discrimination, phonics, ABC recognition)

Page 13: Monster Eyes Math Mat

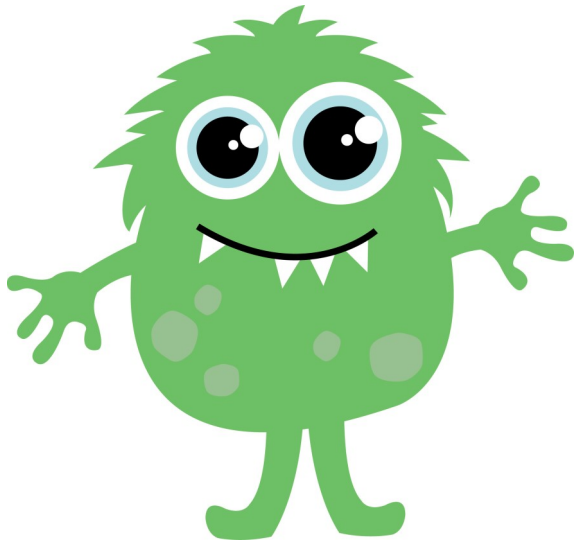

Print and laminate the math mat. Depending on your student's ability, give him or her one die or two dice. Tell your student to roll the dice. Student should add the corresponding number of googly eyes to the monster. Clear the board and play again!

Page 14: Poem (literacy, memorization)

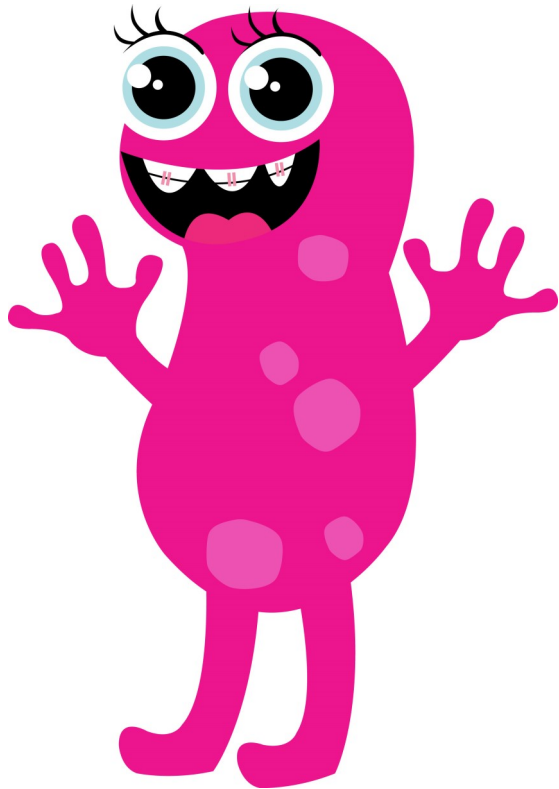

What color am I?
Please find the
letter that makes
the first sound in
my color and place it
on the square next
to me! Please do the
same for my
friends!

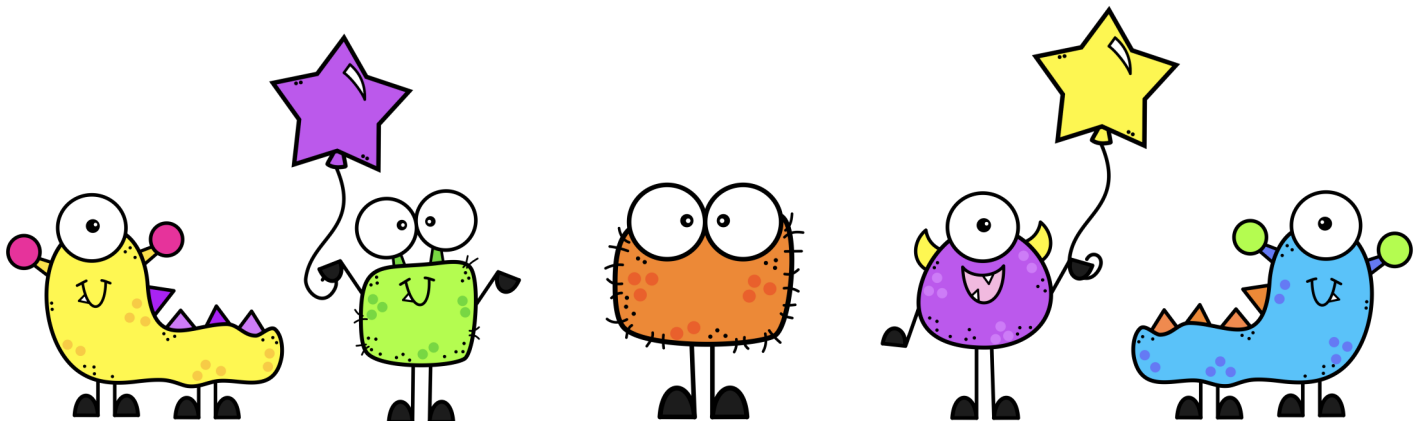

Monsters for Ordinal Numbers Activity

My Monster

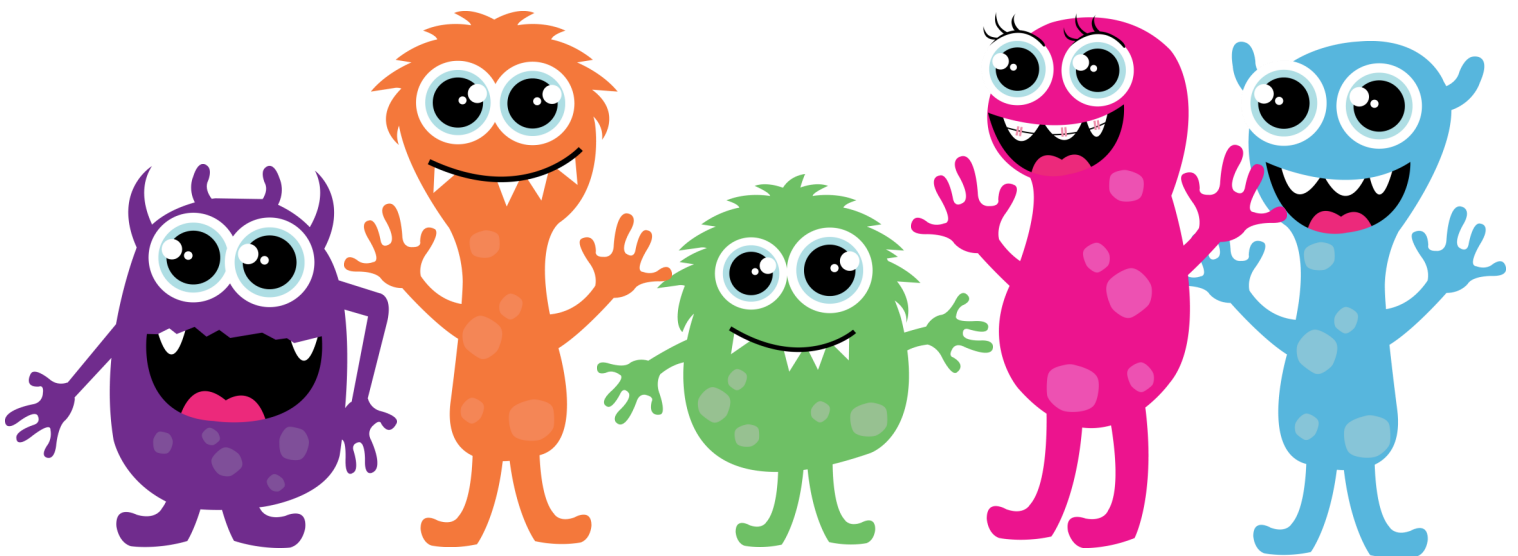

My Monster Story

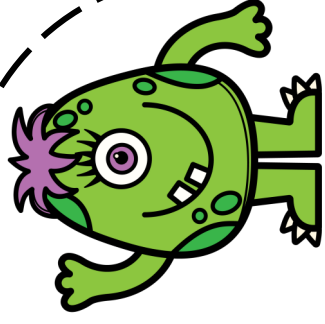

Sleepy Monsters

The monsters are tired and want to go to bed, but first they must separate all the b's and d's. Can you help them?

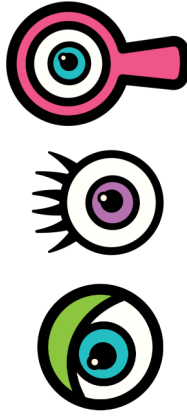

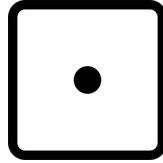

Glue an envelope to this page.
Store all the b and d sorting cards
in the envelope.

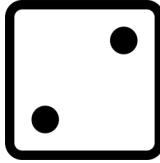

My Monster Drawing Game

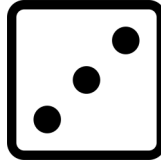

Print a "My Monster" page for each player. Start the game by drawing a body and a head for your monster. Take turns rolling a die.

Add one eye to your monster.

Add one arm to your monster.

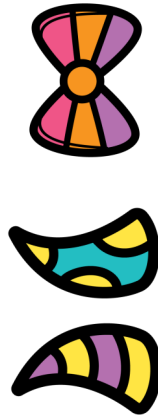

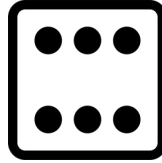

Add one leg to your monster.

Add a mouth to your monster.

Add hair to your monster.

Add one thing to your monster.

JOHNNY DREW A MONSTER

Johnny drew a monster.
The monster chased him.
Just in time
Johnny erased him.
