

Whose Shoes?

HOLIDAY LOGIC GAME

Whose Shoes Holiday Logic Game

Instructions:

Print the two pages of cards on cardstock.

If desired, determine the matching cards and put the same color dots on the matching pairs. This extra step will allow your student(s) to self-check this activity.

Give your student the cards. Let your student use deduction skills to match the cards.

If your student needs an easier game, start with just a few pair of the cards for her to match.

Challenge your student to match all of the shoes with the clues!
